What's Where at the Show?

1- BASKETBALL STADIUM

One side of the stadium makes up our Exhibition Section and displays area, where entries submitted to most of our competitive sections are displayed as well as displays and demonstrations by local community groups. On the other side of the stadium we have our indoor traders, offering a variety of goods and services. For a Third year, we also will be running the “Duck Hunt” event! Will you be able to spot all the hidden ducks?

2. Entertainment Marquee Area

The entertainment oval is where many of our free entertainment acts are set up. Throughout the day our family friendly acts will take place here such as Dinkum Dinosaurs and the Xtreme Trials show.

3. Wood Chopping Area

This year at the show we will have live wood chopping demonstrations presented by Mike Fullgrabe and Doug Pike. Be sure not to miss their engaging demonstration!

4. Gymkhana Ring

This year we will be welcoming Tartan Muscle! They will be demonstration events such as the Caber toss, Deadlifting, and Tug o War.

5. Helicopter rides

Enjoy the view of Whyalla from way up in the sky!
Barossa Helicopters are here at the show once again.

6. Whyalla Show Car & Bike Display

Once again, the Whyalla Car Enthusiast group will be running a car and bike display here at the show.
