

CONDITIONS FOR THE GRANTING OF SPACE TO EXHIBITORS

The Whyalla Show Society (referred to as WSS) sets out the following conditions for the granting of space to Exhibitors.

Payments

1. The Exhibitor shall pay all fees for Space and any other sums payable to the WSS in respect of the Show at the times and in the manner stipulated.

In the event of cancellation by the Exhibitor, the following cancellation fees will apply:

- 50% cancellation fee: July 16 to July 31.
 - No refund from August 1.
2. If payment of any sum due by the Exhibitor is more than seven (7) days in arrears, the WSS reserves the right to terminate or amend the contract and sell the Space, or any part of the Space, to another party or parties.
 3. All fees for Space etc must be fully paid for before occupying or constructing the Display. The WSS reserves the right to remove the Exhibitor's Display from the Space at the Exhibitor's cost should the Exhibitor gain access to the Space with any fees outstanding. The WSS will not be liable for any loss, including consequential loss, sustained by the Exhibitor as a result of such action.
 4. No exhibitor shall sub-let part of their site.

Allocation of Space

5. The WSS reserves the right to allocate Space in the best interests of the Show, including the maximum, minimum and general dimensions of the Space.
6. The WSS reserves the right to refuse to allocate Space to any applicant that, in the opinion of the WSS, does not propose to mount a Display compatible with the aims, objectives, or conditions of the Show.
7. If an Application for Space is rejected, the initial payment of the fee for Space will be refunded in full.
8. The WSS reserves the right to amend or alter the exact site of any stand allocated should the need arise in the opinion of the WSS.

Construction & Operation of Displays (Including electrical matters)

9. Exhibitors will ensure the cleanliness and tidiness of the Space occupied. The WSS shall be the sole judge as to whether the Exhibit is in a clean and tidy condition.
10. Microphones, sound equipment and machine demonstrations will be permitted only where, in the opinion of the WSS, the level of sound causes no annoyance to neighbouring Exhibitors or visiting public.
11. No billboards are permitted in walkways or at any other location without the express permission of the WSS.
12. Exhibitors are only permitted to use the electrical contractor of the WSS, with all requirements directed to the Secretary of the WSS.
13. **Double adaptors are expressly prohibited.**

Multi way outlets with overload protection may be used. Extension leads must be located in such a way as to ensure there is no tripping hazard to the public, and that no safety hazard exists in the event of wet weather.

The WSS reserves the right to take appropriate action, which may include the closing down of the Exhibitor, in the sole opinion of the WSS.

- 13a. **Power cables and extension leads must be pre-tested and tagged as per Australian standard 3760/2000**, which requires extension cords to be tested every 12 months.

14. Exhibitor's attention is drawn to the Regulations under the Occupational Health, Safety and Welfare Act, 1989, which requires that a hand held electrical appliance must incorporate an Earth leakage device in the circuit. This is the responsibility of the Exhibitor.
15. It is the Exhibitor's responsibility to take precautions to protect all perishables, computer links or such like in their Display that may be affected by the disconnection, for whatever reason, of the electrical power service.
16. Indoor exhibitors will be responsible for any damage to floors or walls of a building or marquee caused by either themselves or their agents.
17. The WSS will provide carpeting of various colourings in the indoor stadium for the purpose of protecting flooring. This must not be removed. Should an Exhibitor wish to provide their own alternative covering designed to be colour co-ordinated with their Display, this request must be clearly stated at the time of submitting the Space Application Form.
18. Outdoor exhibitors must provide satisfactory shelters over their Space to ensure their Display is not affected by heat or rain. The interpretation of "satisfactory" is in the sole opinion of WSS.

20. **All Displays** - including tent pegs and ropes, tow bars, trailers or vehicles, display material or goods offered for sale - **must be confined to the Space allocated**. No part of a Display shall protrude beyond the boundaries of the Space.

Exhibitors are not permitted to erect any overhead structure, sign, banner or the like over aisles or paths.

NB: Exhibitors should ensure that the Space they intend to seek is of an adequate size to comply with the above condition.

21. Exhibitors shall, at all times, comply with the Health Department regulations for the handling of food. The WSS and City Council Environmental Officers reserve the right to conduct spot inspections during the period of the Show and, if non-compliance of regulations is determined, further reserve the right to close or remove the Exhibitor until the non-compliance is rectified.
22. The WSS reserves the right to inspect any exhibit at any time, and to order the removal of any part of that exhibit deemed to be objectionable.
23. The WSS reserves the right to refuse any exhibit or part thereof and to require the removal of any exhibit without giving any reason.
24. The Exhibitor must move or alter any part of their Display that breaches any rule, regulation or condition of this agreement, or that the WSS deems to be prejudicial to the conduct of the Show or to other Exhibitors.

CONDUCT OF EXHIBITOR

25. The Exhibitor is required to maintain the dignity and atmosphere of the Show in its displays and demonstrations, and the Exhibitor agrees not to advertise, display or act in a manner which, in the opinion of the WSS, is either sexually or racially discriminating or demeaning or goes beyond generally accepted standard of conduct. This includes referring to the WSS in a way not acceptable on Social Media or TV/Radio Media. The Exhibitor must take steps to rectify any breach on instruction of the WSS.
26. The WSS reserves the right to reject any Display or demonstration and to take necessary steps to stop any disturbance or nuisance during the Show.

29. The Exhibitor shall not close early on the Saturday or Sunday without the express permission of the WSS. Catering exhibitors should have access to adequate supplies to ensure they do not close early.

- On Saturday, Exhibitors must be ready to open at 10am, and are not permitted to close before 9.00pm.
- On Sunday, Exhibitors must be ready to open at 10am, and are not permitted to close before 3.00pm.

30. The Exhibitor shall not exhibit products or conduct business from any area other than the allocated Space.
31. If the WSS, in its discretion, considers any practice of the Exhibitor to be objectionable, likely to discredit the Show, or likely to cause customer dissatisfaction, the WSS reserves the right to order the Exhibitor to cease the practice and/or quit the Space. The WSS will not be liable for any loss, including consequential loss, sustained by the Exhibitor as a result of such action by the WSS.

Delivery/Removal of Goods & Displays

32. The WSS accepts no responsibility for the safety of vehicles and their contents during the "move in" and "move out" periods.

39. Insurance of goods and equipment is the responsibility of the Exhibitor to the extent of movement to, from and on site, from "move in" to "move out."
40. The WSS will monitor the main Showgrounds entrance and provide periodic patrols of the grounds overnight on the Friday and Saturday. However, Exhibitors should not interpret these actions as providing security guards to fully protect Exhibitor's goods. **NB:** The intent is to minimise the likelihood of theft, disturbances, etc. The WSS shall not be liable in the event of losses or damage caused through such thefts or disturbances.

General

41. Exhibitors must at all times comply with all laws and regulations as set down by relevant Authorities.
42. The WSS reserves the absolute discretion to refuse admission and to exclude or eject any person from the general area of the Show, whether or not that person is employed by, agents of, or associated with, an exhibitor.

43. No refunds will be made if the Show is affected by strikes, blackouts, riots, or any other cause whatsoever.
44. The WSS shall endeavour to meet all reasonable requests made by Exhibitors. However, decisions of the WSS are final and the WSS carries no obligation to provide reasons for such decisions.
